Objectives:

To give an outline of our main beliefs.

To show some of the scriptures that underpin the things we believe.

A bit of advice...

We are going on a whirlwind summary of the Truth that is in scripture.

To do this we will be looking at A LOT of references.

You'll see lots of references in a small font - these are supporting references - we won't be looking at these.

References in **GREEN** will appear on the next screen - you don't need to look these up.

References in **RED** are particularly important, you need to look these up, they won't be on the screen.
